

Connecting you with the C-Suite

HotTopics is trusted by

Listen to our client's journey to success with HotTopics

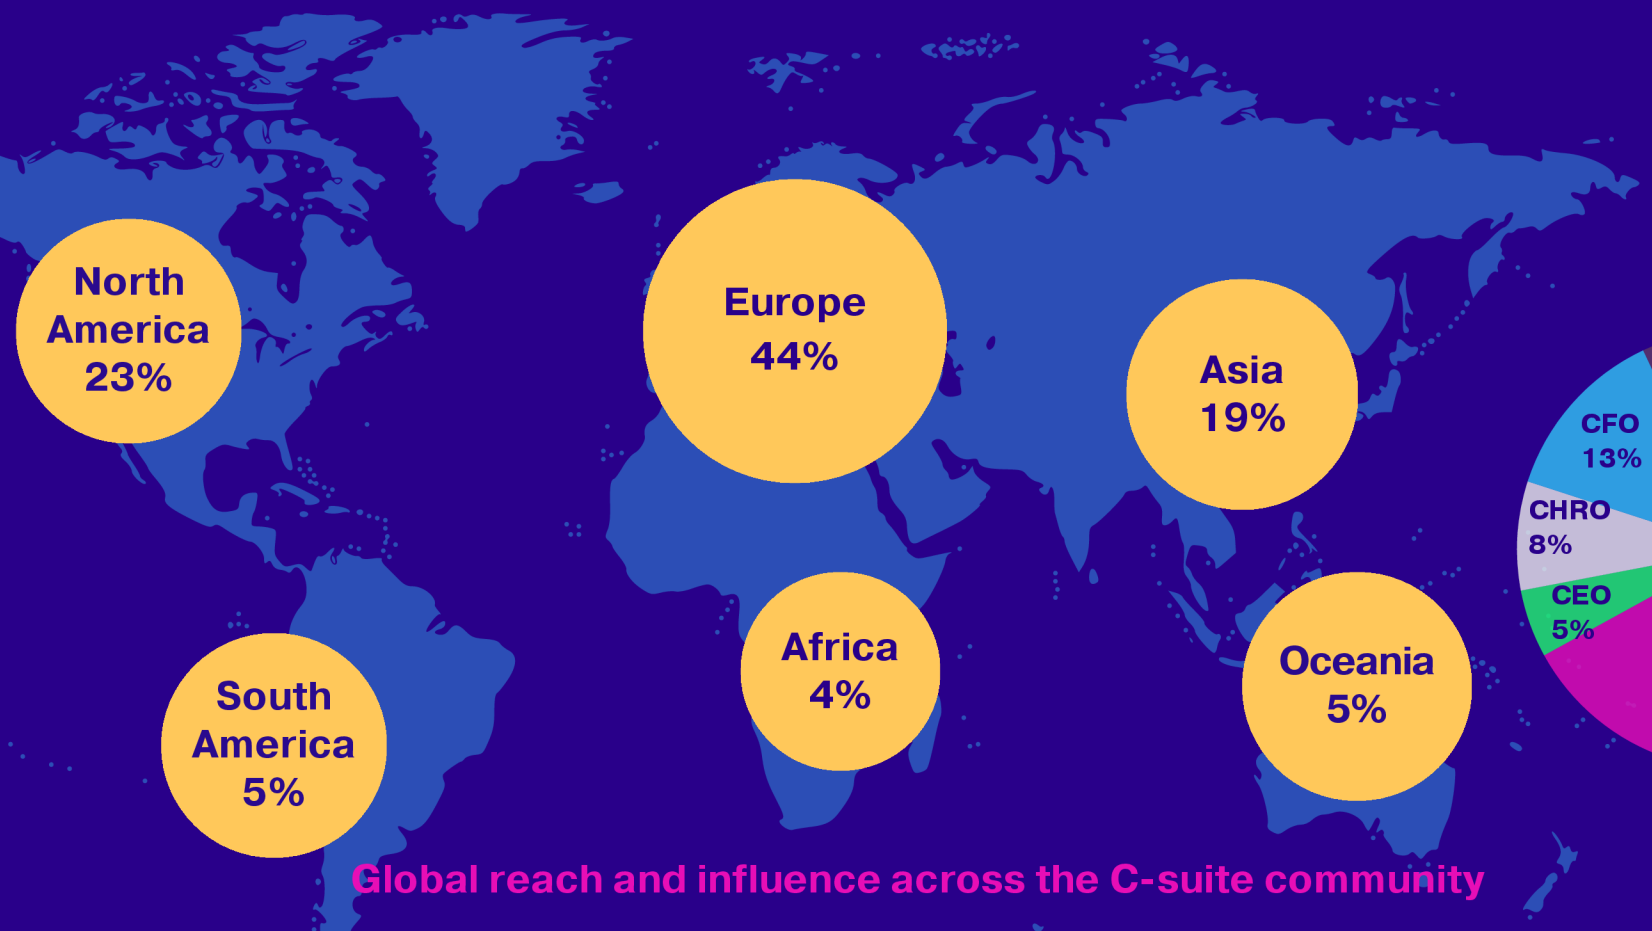

Access the world’s top enterprise accounts

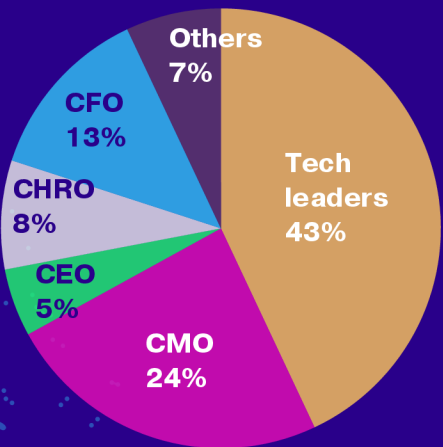

We are HotTopics, the leading C-suite community

We connect 19,000 executives from the world’s most influential organisations—including 75% of Fortune 500 companies—creating a network of decision-makers shaping the future of business.

Our mission is to help leaders transform their organisations, spark action, and drive purposeful change.

Global reach and influence across the C-suite community

Your gateway to the C-suite

We’re the fastest-growing network of CIOs, CISOs, CDOs, CMOs, CFOs, CHROs, and more.

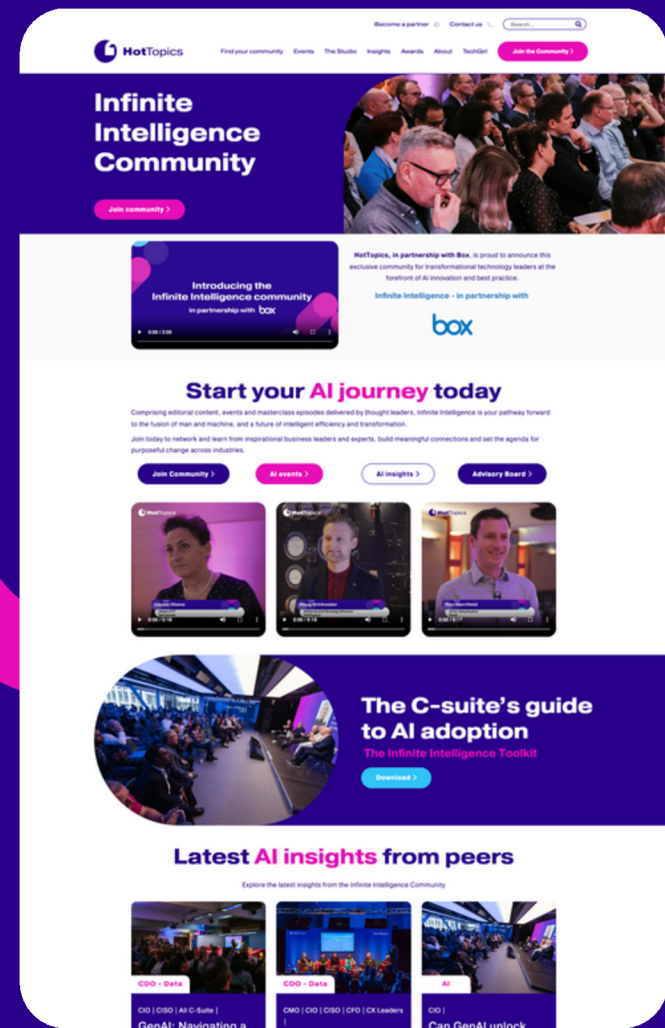

Working with us puts your brand at the heart of this thriving community—creating trust, sparking conversations, and driving impactful partnerships.

Build data-driven micro communities

Community Intelligence Platform (CIP)

CIP connects your brand with the C-suite by embedding your message within our trusted community. Through a bespoke journey of touchpoints, we build trust-driven relationships and measure success with real-time insights

Craft your journey with HotTopics

Tailored engagement at every step

At HotTopics, we offer a range of dynamic touchpoints to position your brand, engage decision-makers, and create meaningful connections. From flagship events to bespoke experiences, each touchpoint is designed to amplify your message and build lasting relationships.

The Studio

Gain unparalleled visibility among global technology executives at our flagship event series.

Global C-Suite Awards

Support the world's top digital, data, and security leaders while boosting your brand awareness.

Food for Thought

Build lasting connections through exclusive invite-only gatherings.

Out of Hours

Connect with leaders in fun, informal settings across the globe.

C-Suite Exchange

Elevate your brand and forge powerful ties at our virtual C-Suite Exchange sessions: tailored, dynamic discussions setting the business agenda.

The Masterclass

Sponsor interactive sessions that position your brand at the forefront of innovation.

Content marketing

Partner with our editorial team to create stories that resonate with our decision-maker community.

Bespoke White Label Events

Full end-to-end solutions tailored to your goals.

The Studio

Event series for the C-suite

The Studio is where the world's most influential business and technology leaders come together to shape the future.

Our flagship event series drives bold ideas, transformative partnerships, and industry-defining innovation.

Content marketing

Whether your goal is to increase brand awareness, generate leads, or craft bespoke thought leadership content, our global editorial platform offers you the unique opportunity to inspire and engage with the world's top executives.

[View Whitepaper >](#)

Work with HotTopics' experienced editorial team to create co-branded content across the sales funnel and in a range of enticing formats.

Bespoke White Label Events

Whether you're looking for full white-label support or a trusted media partner to elevate your event, we bring unmatched expertise in connecting with the C-suite.

From concept to execution, we design impactful events that amplify your message, engage decision-makers, and deliver measurable results.

End-to-end event management solutions

- Delegate acquisition: Ensure the right audience attends your event.
- Agenda and editorial support: Craft compelling themes and sessions.
- Speaker acquisition: Secure influential voices to elevate your event.
- On-site management: Seamless coordination and flawless execution.
- Post-event thought leadership: Extend your event's impact with powerful content.
- Venue selection: Find iconic locations to set the perfect tone.
- Themes and curation: Design a narrative that resonates and inspires.
